

Andrew Chen is a Managing Director in the CIT Energy Group. His primary responsibility is establishing new relationships within the Power and Renewables sector. He has over 20 years of experience in the energy sector financing energy storage projects, renewable and conventional power generation facilities, midstream and infrastructure projects. Prior to CIT, Andrew worked in similar roles at GE EFS, MUFG, NAB and TD. Andrew graduated with a Bachelor of Science in Economics from University of Pennsylvania's Wharton School of Business and concentrated in Finance and Marketing.
