

## **Sven Wellock**

### **Managing Director, Co-Head of Renewables and Power, New York**

Sven has over 20 years of banking experience. He began his career in 2000 with Nord/LB in Hanover, Germany where he received training in project finance, M&A, corporate banking, privatization, and lease finance.

In 2001, he was transferred to Nord/LB's New York Branch to work in their Structured Finance group. His particular focus was the US energy sector including wind energy where he led the Branch's renewable energy lending activity in the US.

Sven joined ING Capital LLC in 2006. He currently co-leads a team of 17 individuals and is responsible for the origination and the development of new business and co-monitoring of loans in the New York Renewables and Power team.

Sven is a member of the CFA Institute and a CFA charter holder. In 2017 he completed the program for Leadership Development at the Harvard Business School.
